Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Sunday 26 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry. Bright morning then cloudier this afternoon. Cold.

Today:
Mostly dry with sunny spells this morning then clouding over this afternoon. Clouds will be thick enough later to produce a little rain or sleet at lower levels and snow on high ground. Feeling chilly in fresh southeast wind. Maximum temperature 5 deg C (41 deg F).

Tonight:
Mostly cloudy with still a lot of dry weather. Scattered showers, mostly over Lochaber, edging up the West Coast and across the Isles. Less cold with lighter southerly winds. Minimum temperature 3 deg C (37 deg F).

Monday:
Mostly cloudy with showers, mainly towards the West Coast becoming fewer during the morning. Mostly dry inland and becoming brighter. A little milder with light southerly winds. Maximum temperature 8 deg C (46 deg F).

Outlook for Tuesday to Thursday:
Cloudy with rain at first on Tuesday, becoming drier and brighter. Some wet and windy weather moving across all parts during Wednesday then drier, brighter weather returning on Thursday.
